Fellow Americans:

Over the past few weeks, the lies and fraud of the regimes have become more evident. We are living the results of, “the ends justify the means.” Nothing we have learned seems to be rooted in truth. Society, as we know it, is changing before our eyes.

It has now become acceptable to lie.

So we began to wonder, are there more misconceptions, more stories we have been fed over they years, what else is not true? At the same time, in a courtroom in Dixie County, Florida - a judge told the defendant:

"The Constitution is not in force in *MY* Courtroom."

I could not believe what I was being told. Looking around the courtroom we saw a flag with FRINGES. Wondering if there was a correlation, we started to investigate.

Terry Trussell is the defendant. Terry has become a political prisoner in the State of Florida. How could that happen in America? This article is not only about Terry...

This article is about the American Flag, the symbol of American Freedom and Liberty, of the Constitution and Bill of Rights; the American Flag we pledged Allegiance to, every day in school to show our loyalty to the country we love.

Yet something is *DIFFERENT*, something *HAS CHANGED*.

HOW did our Flag get FRINGE?

One thing we do know is everything has a meaning; what is the difference, what does it mean? Once you read the article below, which can be verified once you click the links, you will have a clear understanding of how a country can be altered by just a few words and symbols.

Then you must decide, will you comply and through silence accept this New America - or will you speak out at the injustices designed to steal and remake America?

- **Truth:** Once you learn the truth, you can not unlearn it.
- **Education:** Education is the antidote to ignorance.
- **Conversation:** Silence is acceptance.
- **Action:** Download the brochure (next link), Look around your municipal buildings, schools and public areas. What do you see? Demand that the **CORRECT** American Flag is flown on public grounds.

Always remember: **FREEDOM IS NOT FREE.** Benjamin Franklin answered a question regarding what type of government America has. His answer was, “A Republic madam. If you can keep it.”

Can you? If not you, WHO? If not now, WHEN? Knowledge is Power.

Fringe Deception: Flag-Gate!

Gold Fringed Flag:

(Admiralty Flag) Equity, Statutes, regulations, international law, administrative law, No Constitution, Fraud, No Justice)

An American flag with a fringe appears to be another deception, the addition of the yellow fringe changing the legal meaning of the flag to connote a federal enclave subject only to the jurisdiction of the Unconstitutional United States ([see the below at the bottom of the DRA Jurisdiction page](#))

[Jurisdiction - Defend Rural America](http://www.defendruralamerica.com/DRA/Jurisdiction.html)

<http://www.defendruralamerica.com/DRA/Jurisdiction.html>

That is what all these federal land grabs are doing, gobbling up the people's private and public property under the "Constitution FOR The United States" (the Constitution we wrote FOR the government we created) and moving it into the jurisdiction of the federal zone under the "Constitution OF The United States" (the Constitution created by the federal government for itself) that is amended by legislation.

What flag are we flying? What is a civil flag?

What does the GOLD FRINGE mean?

ARE WE STILL UNDER MILITARY RULE?

THE FLAG, AS WITH ALL THINGS IN LAW, IS HIGHLY DEFINED

On The Title 4 U.S.C. 1,

American Flag of Peace of the united States of America

THE FLAG, AS WITH ALL THINGS IN LAW, IS HIGHLY DEFINED

On June 14, 1776, Congress made the following resolution: The flag of the United States shall be thirteen stripes, alternate red and white, with a union of thirteen stars of white on a blue field” Because Congress made no rule for the arraangement of the stars, they were displayed in different ways, most usually in a circle. As new states joined the Union, they demanded representation in the stars and stripes of the flag. In 1795 Congress voted to increase to 15 the number of stars and stripes. Legislation enacted in 1818 reestablished the number of stripes at 13, and instituted the policy, “That on the admission of every new state into the Union, one star be added to the Union of the flag...”.

An executive order issued by President William Howard Taft on October 29, 1912, fixed the overall width and length of the U.S. flag, known technically as the hoist and fly, respectively, in a ratio of 1: 1.9. The thirteen stripes were fixed at equal width. The hoist of the blue field containing the stars was fixed at seven-thirteenths of the overall hoist, that is, as extending from the top of the flag to the bottom of the seventh stripe. The fly of the blue field was fixed at a tiny fraction over three-fourths the overall hoist. The diameter of each star was established as a minute fraction under one-sixteenth of the overall hoist.

Currently, the Flag of the united States of America is defined at title 4 U.S.C. 1, 2 and

Presidential Executive Order 10834, found in the Federal Register at Vol. 24. No. 166, P. 6365-6367. The American Flag of Peace of the united States of America is described as red, white and blue, with thirteen alternating red and white horizontal stripes, and a blue field (union) with 50 stars, one to represent each of the several States. The Flag is proportional, (1 X 1.9). This proportion is easily determined by measuring the length (fly) and dividing by the measurement of the width (hoist). The length divided by the width should be very nearly 1.9. If the flag is not to the correct 1 X 1.9 proportion, it is not a title 4 U.S.C. 1,2 American Flag of Peace of the united States of America.

THERE ARE ABSOLUTELY NO PROVISIONS IN THE LAW FOR ADDING A FOURTH COLOR (YELLOW FRINGE) TO THE TITLE 4 U.S.C. 1,2 FLAG.

Title 4 U.S.C. 3 provides that anything put on the Title 4 U.S.C. 1,2 Flag (gold fringe) MUTILATES the Flag, and carries a one-year prison term. This is confirmed by the authority of title 36 U.S.C. 176 (G). The gold fringe is the fourth color and represents “color of law” , and, when placed on the title 4 U.S.C. 1,2 Flag, mutilates the Flag and suspends the organic Constitution for the United States of America, and establishes “color of law”. (Refer to title 18 U.S.C. 242. See Black’s Law Dictionary).

As provided by title 36 U.S.C. 173, and Army Regulation 840-10, chapter 2-1(b), the Flag of the united States of America is defined and described in title 4 U.S.C. 1,2. Civilians must use the title 4 U.S.C. 1,2 Flag (see title 36 U.S.C. 173 and Army Regulation 840-10, chapter 2-7) and when military flags are displayed by Army Regulation 840-10, chapter 2 and title 36 U.S.C. 175.

THE ONLY AUTHORITY FOR A FRINGE ON THE FLAG IS IN THE ARMY REGULATIONS FOR THE NATIONAL (MILITARY) FLAGS ONLY.

The U.S. Attorney General has stated: “The placing of a gold fringe on the National flag, the dimensions of the flag, and the arrangement of the stars in the union are matters of detail not controlled by statute, but are within the discretion of the President as Commander-in-Chief of the Army and Navy. . .

ancient custom sanctions the use of fringe on regimental colors and standards, but there seems to be no good reason or precedent for its use on other flags. . . the use of such a fringe is prescribed in current Army Regulations, No. 260-10.” (See 34 Ops. Atty. Gen. 483 & 485). The only statute or regulation, in the United States, prescribing a yellow fringed United States flag is Army Regulation No. 260-10, making it a MILITARY FLAG.

By army regulation 260-10, the gold fringe may be used only on regimental “colors”, the President’s flag, for military courts martial, and the flags used at military recruiting centers.

“A military flag emblem of a nation, usually made of cloth and flown from a staff; FROM A MILITARY STANDPOINT flags are of two general classes those flown from stationnary masts

over army posts, and those carried by troops in formation. The former are referred to by the general name of flags. The latter are called colors when carried by dismounted troops. **COLORS AND STANDARDS** are more nearly square than flags, and are made of silk, with a knotted **FRINGE OF YELLOW ON THREE SIDES...USE OF A FLAG -- THE MOST GENERAL AND APPROPRIATE USE OF THE FLAG IS AS A NATIONAL SYMBOL OF AUTHORITY AND POWER**" (National Encyclopedia, Vol. 4)

The adornments (finials) on the top of the flag pole are for military use only.

The Gold Eagle is for the use of the President of the United States *only, and only in time of war.*

(Or when he is standing as Commander-in-Chief of the military, having declared Martial Law, and suspended the Constitution).

The gold spear ball is for military recruiting centers only. The gold acorn is for military parades only. (Army Regulation 840-10, chapter 8).

Colors "A flag, ensign, or standard borne in an army or fleet." (Webster's, 1971).

Color An appearance, semblance, or simulacrum, as distinguished from that which is real. A *prima facie* or apparent right. Hence, a deceptive appearance; a plausible, assumed exterior, concealing a lack of reality; a disguise or pretext. (Black's Law Dictionary, 6th Ed.)

Color of law The appearance or semblance, without the substance, of legal right. Misuse of power, possessed by virtue of state law and made possible only because wrongdoer is clothed with authority of state, is action taken under "color of state law".

Colorable That which is in appearance only, and not in reality, what it purports to be, hence counterfeit, feigned, having the appearance of truth. (Windel v. Flinn, 251 P 2d 136, 146).

Colorable alteration One which makes no real or substantial change, but is introduced only as a subterfuge or means of evading the patent or copyright law.

Colorable imitation In the law of trademarks, this phrase denotes such a close or ingenious

imitation as to be calculated to deceive ordinary persons. (Blacks Law 6th).

The title 4 U.S.C. 1,2 American Flag of the united States of America takes precedence over all other flags, as it is the superior flag, and establishes the jurisdiction of the United States of America, and the laws made in pursuance thereof.

THE LAW OF THE FLAG

The Law of the Flag, an International Law, which is recognized by every nation of the planet, is defined as: "...a rule to the effect that a vessel is a part of the territory of the nation whose flag she flies. The term is used to designate the right under which a ship owner, who sends his vessel into a foreign port, gives notice by his flag to all who enter into contracts with the ship master that he intends the Law of that Flag to regulate those contracts, and that they must either submit to its operation or not contract with him or his agent at all." (Ref. *Ruhrstrat v. People*, 57 N.E. 41)

By the doctrine of "four cornering: the flag establishes the law of the country that it represents." For example, the embassies of foreign countries, in Washington, D.C., are "four cornered" by walls or fencing, creating an "enclave."

Within the boundaries of the "enclave" of the foreign embassy, the flag of that foreign country establishes the jurisdiction and law of that foreign country, which will be enforced by the Law of the Flag and international treaty.

If you enter an embassy, you will be subject to the laws of that country, just as if you board a ship flying a foreign flag, you will be subject to the laws of that flag, enforceable by the "master of the ship," (Captain), by the law of the flag.

Under Article IV, section 3, of the organic Constitution for the United States of America (1787), no new State shall be formed or erected within the Jurisdiction of any other State.

So -- why have the Germans been allowed to erect a German enclave at Holloman Air Force Base in New Mexico, under the Law of the Flag? Why have the judges of the State and Federal Courts been allowed to erect foreign enclaves within our courthouses under the foreign flag of the yellow fringe on the soil of our Republic?

The flags displayed in State courts and courts of the United States have gold or yellow FRINGES. It is your WARNING...that you are entering a foreign enclave and will be subject to the jurisdiction of that flag.

The flag of the gold or yellow FRINGE has NO constitution, NO laws, and NO rules of court, and is *NOT RECOGNIZED* by any Nation on the earth, and is foreign to this Republic and the United States of America.

When you enter a courtroom displaying a gold or yellow fringed flag, you have just entered into

a foreign country, and you had better have your passport with you, you may not be coming back. The judge under a gold or yellow fringe flag become the “captain” or “master” and has absolute power to make the rules as he goes. The gold or yellow fringe flag is your warning that you are leaving your constitutionally secured rights at the door. “It is an elementary rule of pleading, that a plea to the jurisdiction is a tacit (silent) admission that the court has a right to judge in the case and is a waiver to all exception to the jurisdiction.” (Girty v. Logan, 6 Bush KY. 8)

You can watch over the ramparts by the dawn’s early light, with bombs bursting in the air, until you go blind, but you will not see a title 4 U.S.C. 1,2 Flag with its bright stars and broad stripes.

When the flags are gone, the Country is gone.

You may see something that looks like an American Flag, (a colorable flag, a colorable alteration or imitation) but it is a shortened National Flag, for MILITARY USE ONLY. Take your tape measure and calculator to determine what kind of a flag it is. Five will get you ten that its proportion is 1 X 1.66 or 1 X 1.5. It looks like a duck, walks like a duck, quacks like a duck, but it ain't a duck.

Why do private businesses display National Flags with military adornments on the flag pole?

Why do banks display gold or yellow fringed flags, with gold adornments, in their lobbies?

Why have military "colors" been placed in our public schools?

Why are our children being taught under martial law, in foreign or military enclaves with no Constitutionally secured RIGHTS, under the Law of the Flag?

Why do most churches display gold or yellow fringed flags with gold adornments?

Does your Church have a pastor or a military chaplain?

Why are there no manufacturers that produce the correctly proportioned Title 4 U.S.C. 1, 2 Civilian American Flags? Take your tape measure and try to find one.

Why do civilian courts display a military or foreign flag?

Why do civilian judges conduct court martials against civilians?

Why don't you ask them the reason? Are they foreigners or just ignorant?

Why are our children being taught under martial law, in a foreign or military “enclave” with no constitutionally secured rights, under the Law of the Flag?

A military or foreign flag, displayed without the presence of a title 4 U.S.C. 1,2 Flag suspends the Constitution, by the International law of the flag.

(WHAAAAAT??? RUN THAT BY ME AGAIN!)

The proper Title 4 U.S.C. 1, 2 Civilian American Flag of the united States of America with no fringe **takes precedence** over all other flags, as it is the superior flag, and **establishes the civil jurisdiction** of the united States of America, and the laws made in pursuance thereof. This civilian authority is mandated in almost all the STATE constitutions. If you can find a proper Civilian American Flag then buy it, for you will then have something very powerful indeed.

However, a gold or yellow fringed military or foreign flag, displayed **without** the presence of a proper Title 4 U.S.C. 1, 2 Civilian American Flag **suspends the Constitution**, by the international Law of the flag. This takes away all your Rights and places you firmly under the **military or martial law jurisdiction** if you do not have your own proper Title 4 U.S.C. 1, 2 Civilian American Flag.

Now, you know why you can not find a proper Title 4 U.S.C. 1, 2 Civilian American Flag. Because your civilian flag and law would be superior to the military law of the corporate UNITED STATES and THEY COULD NO LONGER RULE OVER YOU.

BUT MOST OF ALL, WHY DO CIVILIAN COURTS DISPLAY MILITARY OR FOREIGN FLAGS?

WHY DO CIVILIAN JUDGES CONDUCT COURTS MARTIAL FOR CIVILIANS?

Under martial law, you are presumed guilty until proven innocent.

WHY ARE THERE NO MANUFACTURERS THAT PRODUCE CORRECT TITLE 4 U.S.C. 1 FLAGS? (TRY TO BUY ONE)

AMERICA HAS BEEN CONQUERED, AND BY TACIT ADMISSION, THE PEOPLE HAVE SURRENDERED !!!

When two nations go to war, the object of the game is to capture the other guy's flag. When you go onto foreign soil, take the other guy's flag down and put yours up, you have captured the other guy's territory and put it under the law (Constitution) of your flag.

Sun Tzu, the ancient Chinese philosopher and general, said that when the Art of War is brought to its highest pinnacle, the enemy will be conquered without the opposing armies ever having met in the field. By skillfully using the art of deception, and skillful use of agents to infiltrate the enemy's government, the enemy may be conquered without the enemy ever knowing that it had been conquered.

WE HAVE BEEN CONQUERED!

WHERE IS THE VFW?

WHERE ARE THE VETERANS THAT PAID SO HIGH A PRICE FOR THE TITLE 4 U.S.C. 1,2 AMERICAN FLAG AND THE LIBERTY AND COUNTRY THAT IT REPRESENTS?

WILL THESE MEN WHO SACRIFICED SO MUCH CONTINUE TO CONSENT TO THE FALL OF OUR NATION BY THEIR CONTINUED SILENCE?

HAVE THEY CAPITULATED BY TACIT AGREEMENT?

Capitulation The act or agreement of surrendering upon negotiated or simulated terms. (Black's Law Dictionary, 6th Ed.)

Tacit Existing, inferred, or understood without being openly expressed or stated, implied by silence or silent acquiescence, as a tacit agreement or tacit understanding. Done or made in silence, implied or indicated, but not actually expressed. Manifested by the refraining from contradiction or objection, inferred from the situation and circumstance, in the absence of express matter. (Black' Law Dictionary, 6th Ed.)

Tacit admissions An acknowledgment or concession of a fact inferred from either silence or from the substance of what one has said.

Maxims of Law "Tacita quaedam habentur pro expressis" THINGS UNEXPRESSED ARE SOMETIMES CONSIDERED AS EXPRESSED.

CONCLUSION

Our elected officials, judges, county commissioners, city councils, school boards and school administrators, police, State Legislators, Governor, the U.S. Congress, and even the President have all committed acts of CONSTRUCTIVE TREASON, defined as "...an attempt to establish treason by circumstantiality, and not by the simple genuine letter of the law, and therefore is highly dangerous to public freedom." C.J.S., vol. 87, p. 910) either knowingly or unknowingly, against the People of the United States of America by surrendering the American Flag of Peace of the United States of America to the foreign state/power of the yellow fringe flag and erecting "foreign enclaves" on the soil of the several States in breach of Article IV, section 3.

When ALL of the title 4 U.S.C. 1, 2 American Flags are GONE, our country, the United States of America - and our precious constitutions are GONE.

If the flag is not important, why, then, did an entire battalion of Marines, in early 1942, die to the last man on Wake Island defending the flag against the Japanese? These Marines did not surrender the flag!

In early 1942, in the Philippines, a young officer named Lt. Ramsey, under the command of Gen. Wainwright, led the last mounted cavalry charge in the history of the U.S. Army. Lt. Ramsey and his men fought so viciously and with such determination that, against overwhelming odds, the Japanese were routed, buying precious time to enable the American forces to retreat to the peninsula of Bataan.

When the American forces were finally forced by starvation to surrender to the Japanese, Lt. Ramsey refused to surrender and slipped through the Japanese lines with a handful of his men and continued to make war against the Japanese with the Philippine Army. By hiding in the mountains and jungle, Lt. Ramsey, though poorly equipped, was able to train a guerrilla army and wreak havoc on the Japanese until Gen. McArthur returned. Lt. Ramsey did not surrender his flag!

DEFINITION: Constructive Treason

Officers that swear an oath and affirmation for supporting and defending the organic Constitution for the United States of America, and by surrendering the oath and affirmation to the foreign state/power of the foreign yellow or gold fringe flag, causing the party before the court a deprivation of rights, with will of intent by the judge, by overt acts to surrender the organic Constitution for the United States of America (1787) into the hands of a foreign power/state, by definition, is guilty of constructive treason.

Treason imputed to a person by law from his conduct or course of action, though his deeds taken severally - do not amount to actual treason.

How does your flag measure up?

Title 4 of the United States Code describes the specifications of the OFFICIAL United States Flag - and yet up until now - there have been no OFFICIAL flags made available to the citizens of our country!

If the U.S. Code defines the specific design of the official U.S. Flag, then what statement are we making when we fly a flag that DOES NOT represent our country...the United States???

Check your flag and see how it measures up!
