America Is My Name

The greatest danger to American freedom is a government that ignores the Constitution

- **Thomas Jefferson, Third President of the United States**

Fellow Americans:

The American Experiment

While listening to the discussion by our Representatives about defunding Obama's latest "Executive Action" - which (by the way) - is NOT AN EXECUTIVE ORDER, I am confused!

Until I realize these Legislators (and I use that term loosely), have NO IDEA about what is IN the Constitution. If they did, they would realize that the States are empowered to handle Immigration issues, NOT THE FEDS.

Not too long ago, immigration ran very smoothly in America...until the Democrats realized they could increase their VOTER BASE, by exploiting American's goodness of allowing immigrants to come to America and participate in our political process while getting Entitlements. Hence, we are now broke. Too much outgo in entitlements, not enough income tax revenue coming in.

Reagan was DUPED!...into passing Comprehensive Immigration - without closing the Borders, and from then on...

America is in a Downward Spiral...

Simultaneously, Tip O'Neill, then Liberal Speaker of the House, facilitated getting the Constitution and Civics - REMOVED FROM SCHOOL STUDY PROGRAMS.

When I went to school in the 50-60's, in grades 3-5 we studied the Constitution and Civics. Every student could recite key passages, knew all the Presidents and could discuss and debate in the world of politics. Now, students have no idea who is the Vice President let alone know their rights.

(Editor: I was astounded to learn my niece & nephew did not know why we celebrated the 4th of July. They were in middle school at the time).

Instead, school subjects were replaced with social feel-good programs, producing generations of leaders who know absolutely nothing about how this government works! Sadly, by their actions - most do not even care. The game of politics has become nothing more than a club designed to screw those not favored or involved.

What better thing to do then teach the students that the Constitution is a living, breathing document subject to change at the whim of a politician or justice? Think about that for a minute.

America is a Nation of Laws that ALL must follow.

Americans are ALL EQUAL under the law.

How can the law be different, for different individuals? That would be like playing football with each player having a different play book. How can you win if you don't know the rules? The Constitution works the same. How can you protect Liberty and Freedom - if you have no idea where YOUR RIGHTS come from?

The American Experiment is Self-Governance as long as each individual could read, write, do math - and understand their rights are granted by God - and the laws they must follow.

When you change any part of that basic plan, you are DOOMED TO FAIL!

The Democrats learned if they fill America with newbies who understand nothing and teach them nothing, they will rely on the Democrats for answers. Then they vote Democrats into office, because the Democrats tell them what to do. A person speaking Spanish has no idea what is in a contract when a lawyer says, "Sign Here." Once that trust bond is initiated, lack of information ensures, hence diversity occurs - not assimilation. Immigration is no different.

The Constitution is CLEAR!

The President has LIMITED POWERS ON PURPOSE, to ensure he cannot become: Dictator, Emperor, King, or Tyrant!

His only real job is to protect Americans against Invaders and follow the Constitution...When he does NEITHER, is this not...

TREASON?

Originally, when an immigrant wanted to come to the US, they solicited the state where they wanted to live. They had a job offer and a SPONSOR. They agreed to pay the fees to the state, for their AMERICAN education and to learn ENGLISH, the language of America and business. Immigrants were NEVER MEANT to replace Americans, get preference in jobs ahead of Americans, nor were they ever to steal our resources, our country and our lives!

[Obama Bribes US Companies to Break the Law Offers \\$3,000 to Hire Illegals instead of Americans](#)

When I saw the statistics about crime in the US I was curious, because I never saw how much crime as committed by illegals. Illegals are NOT entitled to anything!

So I ask my Legislators, if you really want to stop Illegal Immigration - and control the Debt, why not stop unconstitutional entitlements to illegals, and just follow the Constitution?

Why are the states not controlling Immigration like they are supposed to?

The answer is either they are ignorant of the Constitution (and should not be Legislators) - or they are PART OF THE PROBLEM (and should not be Legislators)!

Read below and call your Legislators, tell them to Stop funding Illegal Entitlements.

I bet if we did this simple task, you would see many one-way tickets back home!

PRESS RELEASE!! PRESS RELEASE!!

<http://www.cfabamerica.com/when-the-framers-of-the-u-s-constitution-wrote-it-they-gave-presidents-very-few-duties>

When the Framers of the U. S. Constitution wrote it, they gave Presidents very few duties. Article II, Section 2 says "The President shall be Commander and Chief of the Army and Navy of the United States and the Militia of the several States when called into actual service of the United States."

A President of the United States is only Commander and Chief of the Armed Forces...that is...a President is the TOP military officer!

He or she is NOT IN CONTROL of the Armed Forces EXCEPT BY Order of Congress. Article I, Section 8,

Clauses 11 to 18 gives full war and armed forces powers to Congress who then relays and instructs the Commander and Chief to carry out their Orders.

Clause 11: Congress shall have the power to declare WAR, grant Letters of Marque and Reprisal, and make Rules concerning CAPTURES on Land and Water;

Clause 12: Congress shall have the power to raise and support Armies, but no Appropriation of Money to that use shall be for a longer term than two years;

Clause 13: Congress shall have the power to provide and maintain a Navy;

Clause 14: Congress shall have the power to make Rules for the Government and Regulation of the land and naval forces;

Clause 15: Congress shall have the power to provide for calling forth the Militia to execute the Laws of the Union, SUPPRESS INSURRECTION, and

REPEL INVASIONS;

Clause 16: Congress shall have the power to provide for organizing and disciplining, the Militia, and for governing such part of them as may be employed in the Service of the United States, reserving to the States respectively, the Appointment of the officers, and authority of training the Militia according to the discipline prescribed by Congress.

Clause 18: Congress shall have the power to MAKE ALL LAWS WHICH SHALL BE NECESSARY AND PROPER FOR CARRYING INTO EXECUTION THE FOREGOING POWERS, AND ALL OTHER POWERS VESTED BY THIS CONSTITUTION IN THE GOVERNMENT OF THE UNITED STATES, OR IN ANY DEPARTMENT OF OFFICER THEREOF.

Thus, Congress is in charge of all laws in Article I, Section 8, I to 18; and all other laws vested by Congress in the governing of the United States. They are in charge of all departments and officers. A President is only an OFFICER of the United States. The Framers did not intend for Presidents to have full power and authority. They gave that to Congress. All Presidential Executive Orders must be in pursuance of the U. S. Constitution, the SUPREME law of the Land via Article VI, Clause 2 that says all laws of the United States must be in pursuance of the U. S. Constitution to be valid is to be followed by all judges.

Therefore, Obama's immigration Executive Orders and Speech is invalid via the U. S. Constitution. There are no laws written in the U. S. Constitution that gives a President, Congress, United States or Federal Judges any powers to bring non-citizens to America. The Framers of the Constitution gave migrant and importing persons for work to the States. (Article I, Section 9, Clause 1, the first 19 words). A Presidents powers are extremely limited!

It is supported by Article IV, Section 4, that says the United States shall protect each State from invasion, Article VI, Clause 2 that says all laws must follow constitution, Amendment X, that says anything not written for the United States belongs to the States and the People.

Amendment XI, that says "If you are a Citizen or Subject of a Foreign State, YOU CANNOT SUE ANY STATE OF THE UNITED IN U.S. COURTS". Amendment XIV says States are in charge of ANY person. It defines non-citizens under the jurisdiction of the State they are in.

Only those BORN or NATURALIZED are under the JURISDICTION of the United States.

Therefore, Emperor Obama has no clothes!

He does NOT HAVE THE POWER to grant Federal Amnesty or Pardons to NON-CITIZENS!

Only the State they are in, can pardon them for being in that State illegally.

Obama is supposed to carry out Orders from Congress and deport those who have been found to be guilty of entering America illegally.

He cannot throw a blanket plan of pardoning and tell illegal invaders they can stay in an American State.

That is...

INSURRECTION AGAINST THE CONSTITUTION,

AIDING ENEMIES OF AMERICA AND TREASON!

The next Congress, led by Republicans - must send out arrest warrants for any and all Officers of the United States for all "Comprehensive" Immigration laws...none of them are in the U. S. Constitution; and neither is "Comprehensive" citizenship.

Congress must establish a Citizenship Investigation Office (CIO) and call in all new citizenships to ensure they followed constitutional citizenship and naturalization in Chapter 2, Part L, Volume 12 - Grounds for Revocation of Naturalization that says naturalization must be attached to the U. S. Constitution. The comprehensive naturalization is not attached to the U. S. Constitution and must be revoked. They will lose voting rights!

As Commander and Chief of the Armed Forces, Congress must ORDER Obama to begin arrests of all U. S. Officers who have written unconstitutional, treasonous laws that allowed invaders to take over States under the guise of "immigrants".

To be an Immigrant, one must be registered with a State; and sworn in as a LEGAL RESIDENT of that State to be granted Naturalizing as a Citizen of the United States of America!

In short, President Obama must turn himself in for INSURRECTION and TREASON via the U. S. Constitution - or be arrested by the Congressional Militia or whatever Congressional Force is sent for his CAPTURE!
