

Outcome-Based Education Eliminates Choices

Imagine going to a football game, The Giants vs the Dolphins. Before the game starts the announcer says, " Good afternoon ladies and gentlemen, "The WINNER of today's game will be the Miami Dolphins."

How would you feel? Would you want to stay? Would the players want to play? Or would you feel cheated and get up and leave?

Your life changes when you know the outcome *in advance*. You become disinterested, bored, feel cheated, and unfulfilled...a mindless Drone. One of the Collective.

Welcome to...

Common Core: Outcome-Based Education.

You have no hope, you are depressed. What is the point of living? You turn to drugs, s e x, getting in trouble, acting out. You are told you need drugs to keep you quiet, to stop you from being depressed. Life doesn't matter. Someone else's life doesn't matter.

You have no ambition, curiosity, innovation, creativity. WHY BOTHER?

You know the end of the story, your life's story. This is what happens when you know the outcome *in advance*. That is what Common Core, or Outcome-Based Education *does to people*. The outcome of your life is PRE-DETERMINED by someone else, other than you or your child. You lose HOPE.

Do you think your child will feel cheated? No one consulted them - yet this impacts the *rest of their lives*.

Go now, and tell your child, "Honey you are going to grow up and be a *lawyer*. But Ma, I don't want to be a *lawyer*, I want to be an *engineer*." Too bad, you are to be a *lawyer* - the computer DECIDED FOR YOU. Is that OK?

If you don't think it is OK for you to tell your child what they should do with their lives, then WHY do you think it is OK for the government to tell your child what they should do with their lives?

Under Communism or Common Core...

YOUR CHILD will have *NO CHOICES*.

A computer program with Algorithms (programs) records your child's key strokes, key words, key answers...and determines what Vocation your child is best suited for!

I can't tell you how many youngsters I taught - that changed their careers every time I taught them something new. They were excited. That excitement...is now GONE.

I changed careers several times...but THAT DOOR IS NOW CLOSED.

But...there is more. The ESEA. If the ESEA ever passes in its present form, the door will be nailed shut.

YOUR CHILD'S FUTURE...NAILED SHUT!

ESEA (Elementary Secondary Education Act) is now being reauthorized in the Florida Senate.

You must understand how dangerous it is, and relay this message to your Legislator!!

Common Core will force your child into a PRE-DETERMINED CAREER PATH, one suitable for fulfilling the Government's chosen careers, and ESEA WILL FORCE YOU TO PAY for that training.

By redirecting YOUR TAXES to Charter Schools under the idea of "CHOICE" - (Choice makes you feel good). Charter Schools are corporate-owned schools. You pay, but the corporation answers to its SHAREHOLDERS, NOT YOU. This is called "Taxation without Representation." - BTW, Wasn't that what the American Revolution was fought over?

Tell your Legislator: DO NOT RE-AUTHORIZE ESEA.

What would this accomplish? It would be one step closer to dismantling Common Core, and gives your child BACK...their ability to control their own Destiny - without stealing money from you, under the premise of CHOICE.

If you listen to the Legislators' talking points...
they are meaningless NONSENSE!

Many of them have *never read* the Constitution.

Understand it? - Nah.
Support it? - Eh, not so much.
Follow it? Fuhgehtaboutit.

Original Source Documents describing everything I mentioned and more, are found on the sites below. Source documents showing the incorporation of American schools into the Communist model of the old, failed, Soviet Union; documents showing changes in curricula replacing Facts with Value, replacing Individualism with Collectivism; documents showing Learning is now Training; documents showing partnerships with Microsoft and UNESCO (United Nations Educational, Scientific and Cultural Organization) creating **World Wide Common Core** with Citizens of the World... Weren't you told this is an American program - that is GOOD for America?

Visit these sites often. I hope you understand your education was MANIPULATED, but each Generation that passes....LOSES MORE, AND LOSES OUT!

Know what YOU...and YOUR CHILD - ARE UP AGAINST.

The author of these sites is **Charlotte Iserbyt**, former Senior Policy Analyst for Ronald Reagan.

It was Charlotte's job to go through the Board of Ed papers and discard them, as they were to close the Dept of Ed (which of course, never happened). Instead, Charlotte copied the documents and put them out - so all could see the history of advancing a Soviet Education in America.

I lived in NYC in the 1960's. At this time my class of teachers was the first group to graduate and teach the "new" method called Outcome Based Education. I did not understand. Why would anyone want the outcome of their life determined by someone else?

My Masters is in Liberal Studies and my post grad credits come from the New School (New School of Social Research-John Dewey's propaganda pit as I called it).

There I learned how to integrate media, Hollywood, and education into a neat package and use it through emotion to get the desired outcome for Outcome Based Education. I refused and taught the way I learned. My students learned, achieved and created. I taught until I was forced to stop using the old methods.

Students are Trained, NOT EDUCATED.

Corporations then have plenty of SLAVES (er, I mean WORKERS)...
READY-MADE FOR INDUSTRY.

Your child is nothing more than Human Capital, after all.

I felt like I was turning the kids into Worker Bees...
Mindless Drones...on an assembly line.

CCS is just another version of the same Soviet program called Career Clusters, where industry locations dictate the education of a specific community. Industry controlled the school. Today, we call this Charter Schools.

Eisenhower send a Commission of Governors to Russia in 1958, to study their schools. (BTW, Bill Clinton studied in Russia). The Commission came back with Career Clusters in a School-to-Work Program. (Think: *The Hunger Games* Trilogy movies).

Self-contained cities, today called **Sustainable Developments**, (aka Resilient Cities) are known as City-States, focused on training workers for the industry located in the community.

People are kept at a low income level.
Mobility is only available via Public Transportation.

You are being trained - today - for Bike Paths, High-Speed Rail...

- All methods of controlling your movements.

The average income of the world's UPPER LOWER CLASS
- (called the Middle Class) - is \$32,000.
The American Middle Class income is \$52,000 - TOO HIGH!
TOO HIGH...
That is, for the Elites, the Government, and Corporations...
they think:

AMERICA MAKES TOO MUCH MONEY!!
YOU MAKE TOO MUCH MONEY!

Americans' Standard of Living must be brought DOWN
- to a financial level in common with the *Rest of the World* -
- This is the MAKING OF AMERICA into a 3RD-WORLD COUNTRY -

[Wake Up America, Your Standard of Living Is In Jeopardy...](#)

American Incomes are in a DECREASING TREND for the last 6 YEARS!!

This is the reason that ILLEGAL IMMIGRANTS
are being sought after!!

Remember the TPP (Trans-Pacific Partnership)?
The Border CANNOT be Closed...!

[COALITION BLASTS IDEA OF GIVING OBAMA MORE POWER ' Fast...](#)

WHY bother to pay Americans MORE? - When Illegals will work for LESS, giving MORE PROFIT to the Corporations, and decreasing the Middleclass Average Salary - putting it more in line with the World's common Standard of Living and income levels?

Small business must END. COMPETITION must END. Your children are taught to work for someone else. No PRIVATE Ownership. SOMEONE ELSE controls your pay, your life, your freedom...your knowledge and education.

The Deliberate Dumbing Down of America has been planned for a very long time.

The United Nations is the focal point, and NYC schools started their experiment. They believe, and often said: Smart people require more from their government. So the disciplines slowly gravitated from FACT to Value, from Education to Training, from Knowledge to Ignorance.

Sadly, today I see the results of this Poor Education...as many legislators do not know constitution or Bill of Rights. Yesterday Jesse Waters asked Americans if it was OK to suspend the Bill of Rights. The sheeple (ignorant masses) said yes do whatever the government says. Is that OK with you? Where are the Americans that used to say, NO, HELL NO. Those rights are God given and no government can suspend them. When Rights are not taught, they are not learned, they are lost.

Legislators are fondly called the *useful idiots* because they carry messages without fully understanding - or pass bills without reading them and regurgitate talking points allowing corporations/NGO's to determine their decisions.

In 1992, Marc Tucker redesigned education in a letter to Hillary Clinton.

Today, we are living Marc's plan with a new name - called CCS.

"Isn't it wonderful for governments that its citizens no longer think." - Adolph Hitler

REMEMBER:

**"Everything is Connected. Everything is Planned. There are no Coincidences.
Everything is a Lie." - Karen Schoen**

The Machine running the Government and the World is HUGE. All they care about is Money - Power - Control. The mechanism used to control people ARE SCHOOLS; EDUCATION.

Do you REALLY think that Obama's plan to make Community Colleges FREE for all - is not going to have SOME kind of price tag to it? I am not speaking of taxes here...the cost is WHAT is being taught in those Community Colleges, like Communism? - D'OH!

The conditioning is curricula, the tools are Technology. I suggest you watch on Youtube:

[**BUILDING THE MACHINE - The Common Core Documentary**](#)

Today, we have World UNESCO Common Core. I get reports from other countries on a continual basis. Their citizens hate it as well. Bosnia started theirs in 2003, right after Gates had Microsoft sign the contract with UNESCO - see this article by Phyllis Schafly:

[Bill Gates Teams Up With UNESCO - Eagle Forum - Leading...](#)

As a result of RTTT not being read by Legislators - mandating CCS and HIGH-Stakes testing, Floridians are now being pitted against each other. The Vendors are the only beneficiaries of the Implementation of CCS, they make a BLOODY FORTUNE.

Another American Generation is LOST, and America will slip into the Abyss of MEDIOCRITY - along with all the other Socialist countries. Take the time to watch this movie about the Venezuela Collapse. Note what is mentioned about the fate of the people, especially the CHILDREN:

[If you want to learn what may be coming .watch this documentary on Argqentina.](#)

(HIGHLY RECOMMENDED!! 1:51 MIN. LONG, BUT WORTH WATCHING!)

The groups supporting CCS are Lobbyists, corporations and the cash-strapped governors who signed where they were told.

We CANNOT let the **ESEA Reauthorization Act** fool us into thinking Individual Choice is what it will accomplish. Think opposite!

ESEA means CHOICE of the Government/Corporations...

- NOT CHOICE FOR YOUR CHILD!

Read: [ABCs of DumbDown: Beware ESEA Re-Authorization!](#)

Understand the Enemy...

and HOW they are using the options of School/Choice.

Funneling money from Taxes to Charter Schools sounds DREAMY...But Charter schools are merely Corporations - that answer to Corporate Shareholders, NOT YOU.

Does that mean the American Taxpayer will now become a Shareholder and share in the Profit?

I THINK NOT!!

Choice will become the CHOICE of the Corporation running the Charter School - with NO Taxpayer input or voice, NO ACCOUNTABILITY TO TAXPAYERS.

This is the Reauthorization of ESEA - per Lindsey Graham. Choice is a Diversion...with the desired outcome to Eliminate Public Schools, expensive school boards - you voice - and give you a choice of location for your Government / Corporate Training.

This is pure Hegelian. They created the problem, BAD Public Schools.

Their desired outcome: CHOICE. Only it is Their choice NOT YOURS.

What difference does it make? If all schools teach CCS, then does it matter what location the child is trained? Communism doesn't care where it is taught. Your child is going to GO AND WORK - *where he/she is told to!*

MONEY

POWER

CONTROL

When the Constitution, Freedom, Liberty, and American History & Exceptionalism are NOT TAUGHT, NOT REMEMBERED.

This is the 3rd Generation of Ignorant Americans.

Students are now trained to love COMMUNISM. Individuals don't count, just the GROUP matters (this is called GROUPTHINK)...the COLLECTIVE, the HIVE Mentality.

You must sacrifice ALL for the good of the COLLECTIVE (Remember *The Borg* - from *StarTrek Next Generation*?). You get it! You must do MORE for LESS, so they (the Government/Corporations) - will have MORE.

Why are we surprised students are now Communists?

Who is the Enemy?

The CONSTITUTION...or COMMUNISM?

Lincoln got it right. Whatever is taught in School today - is in Government, Tomorrow.
